Investment Objective

The objective of this Sub-Fund is to achieve capital appreciation over the medium to long-term by investing at least two-thirds of its total assets in a diversified portfolio of equities and equity-linked instruments issued by companies which have their registered office in the United States of America, or which exercise a preponderant part of their economic activities in this country and which are selected by internal equity research analysts employed by the Investment Manager. Pioneer Investments' equity analysts utilise an investment process that is active, bottom-up and research driven. The selection process is driven by fundamental research and not sector specific.
