Investment Objective

This Sub-Fund seeks to achieve capital appreciation over the medium to long-term by investing primarily in a diversified portfolio of equities and equity-linked instruments issued by companies primarily involved, directly or indirectly, in the business of mining, processing, fabricating, distributing or otherwise dealing in gold and other metals or minerals. The Sub-Fund does not hold physical gold or metal. The Sub-Fund has maximum flexibility to invest in any geographical region. There is no restriction on the proportion of the Sub-Fund's assets that can be invested in any one geographical region.
