Investment Objective

This Sub-Fund seeks to achieve capital appreciation over the medium to long-term by investing primarily in a portfolio of equities and equity-linked instruments of issuers incorporated, headquartered or having their principal business activities in the U.S.A. The Sub-Fund uses a "value" style of management and seeks to invest in a diversified portfolio of securities selling at reasonable prices or at discounts to their intrinsic values. The investment process is driven by fundamental and quantitative research.
