

Pioneer Funds – Italian Equity

December 2011

Class A EUR Non-Distributing

European Equity

Benefit from “Made in Italy”

An equity Portfolio that invests in companies incorporated, headquartered or having their principal business activities in Italy. It is a diversification opportunity, which exploits the growth opportunities offered by the Italian market.

A flexible approach to capture all investment opportunities

- No market capitalisation bias: This flexible Portfolio seeks investment opportunities among small, mid and large cap companies.
- Stock selection drives Portfolio composition, hence sector allocation is a consequence of stock picking.

An experienced investment team

- The Portfolio Management team is supported by career analysts that are experts in their field with in-depth knowledge of companies and sectors.
- Stock selection is based on comprehensive fundamental and quantitative analysis and one-to-one meetings with companies' management.

About The Investment Team

Pioneer Funds – Italian Equity is managed by Roberto Campani. Roberto is Senior PM, Small & Mid Caps. He leads and manages our Italian equity portfolios in Dublin and has been involved in managing Pioneer Funds - Italian Equity since its inception. After graduating in Economics, Roberto spent five years in RAS Asset Management (Allianz Group), initially as a Financial Analyst and later as an Italian Equity Portfolio Manager. He joined Pioneer Investments in October 1998.

Investment Process

Step 1- Idea Generation

- Focus on individual companies rather than on specific sectors.
- Regular meetings with companies' management.
- Proprietary Research team.
- Stocks with cheap valuations.

Step 2 - Research

- Team of European Equity Market Specialists analyses among 95% of MSCI Europe companies.
- Quantitative Analysts screen fundamentals, performances and risk levels.

Step 3 - Stock Selection

An actively managed Portfolio

- Buy decisions depend on:
 - Quality of company management
 - Corporate governance
 - Balance sheet health
 - Cash flow generation
 - Leadership in specific sectors.
- Stocks are sold when: target price reached, material changes in market conditions or new and better investment opportunities arise elsewhere.

Step 4 - Portfolio Construction

- Portfolio holdings: approximately 70 Italian stocks.
- Weight of single sectors within the Portfolio is a consequence of stock picking.
- Portfolio's risk level versus its benchmark is actively monitored.
