

# Angus Stening

*CEO of Asia & Emerging Markets*

Angus William Stening is CEO of Asia & Emerging Markets for Pioneer Investments. His responsibilities include managing Pioneer Investments' wholesale distribution activities and establishing key strategic partnerships across the Asia-Pacific region. Additionally, Angus is developing Pioneer Investments' local asset management businesses in emerging markets, primarily focusing on India and Russia.

Prior to assuming his current role, Angus was Head of Central & Eastern Europe based in Prague where he successfully managed the expansion and strategic development of Pioneer Investments' presence across the region to a market leading position.

Angus joined Pioneer Investments in 1999 with responsibility for the commercial development of Pioneer Investments' European operations. In this capacity, Angus was responsible for the management of the company's operations and information technology function for the International business division.

He is a member of the Global Management Committee and a board member of a number of group companies.

Angus graduated in 1991 with a Diploma in Business, majoring in Accounting.
