

Marco Pirondini

Head of Equities, U.S.

Marco Pirondini is Head of Equities, U.S. overseeing equity portfolio management and fundamental research in the US.

Marco has over 19 years of investment experience as a portfolio manager, equity analyst and manager. From December 2004 until 2010, he was Global Chief Investment Officer of Pioneer Investments, overseeing equity, fixed income, balanced, and quantitative portfolio management, and quantitative and fundamental research divisions. Prior to this role, he was based in the firm's Boston office as Head of Global Equity Research, a position he held for five years and over which time he played a pivotal role in building the team and the function of research as central to the firm's investment process. His Portfolio Management experience includes positions on five equity funds managed out of Milan, Dublin and the US, including both US equity and global equity strategies.

Marco began his career with Credito Italiano in 1991, and in 1993 he moved into the Asset Management division to assume the role of Balanced Portfolio Analyst. Two years later, he began to manage portfolios and was promoted to head the Italian Equities desk in 1996. Marco moved to Dublin with the company in 1998 when UniCredito Italiano moved its investment division to Dublin. His strong equity background led to his appointment as Head of the Equity Research department in 1999.

Marco graduated from the Università L. Bocconi, Milan, Italy with a BA in Economics in 1990. He also holds an MA in Finance from the same university.
