

Paolo Barbieri

*Chief Investment Officer- Funds of Hedge Funds
Pioneer Alternative Investments*

Paolo Barbieri is Chief Investment Officer for Pioneer Alternative Investments (“PAI”) Funds of Hedge Funds. He is responsible for managing the full range of PAI Funds of Hedge Funds domestic and off-shore, leading a team of 20 investment professionals located in London, New York and Milan. He is a member of the investment committee with responsibility for manager selection, portfolio construction and risk management. Paolo has over 24 years experience within the industry.

Prior to joining Pioneer Investments in 2003, Paolo was Founder and CEO of Akros HFR Alternative Investments SGR S.p.A., one of the first firms in the Italian hedge funds industry. While with Akros Group, Paolo also held other responsibilities with other companies of the Group: Managing Director and Board Member of Banca Akros S.p.A. responsible for the Equity Division; Managing Director and Board Member of Akros Sim S.p.A., responsible for the Proprietary Trading Activities and the Equity and Derivatives Sales Desk; Director of the Structured Products Desk at Akros Mercantile S.p.A.

Previously, Paolo also held positions with Compagnia Privata di Finanza e Investimenti S.p.A. and Interbanca S.p.A.

Paolo holds a Degree in Business and Economics (magna cum laude), which he attained from Federico II University, Naples.
